I. Introduction and Background

The United States Institute of Peace (USIP) is a national, nonpartisan, independent institute, founded by Congress and dedicated to the proposition that a world without violent conflict is possible, practical, and essential for U.S. and global security. In conflict zones abroad, the Institute works with local partners to prevent, mitigate, and resolve violent conflict. For more information, please visit http://www.usip.org.

The USIP Generation Change Fellows Program (GCFP) engages young leaders working in peacebuilding to strengthen their capacity to create change in their communities. GCFP uses a peer-to-peer community of practice where participants learn from each other. Beyond the core 5-day training focusing on prejudice reduction, leadership, and conflict transformation, the Generation Change Fellows Program works to counter the isolation felt by youth leaders and helps to increase the resilience needed for working in conflict-affected places. To continue and expand its programming, USIP seeks to implement a GCFP program in Fiji.

II. Purpose of the RFP

The Youth, Peace & Security (YPS) and U.S Pacific Islands Program are seeking administrative and logistical support in Fiji (or other Pacific Islands contingent on availability in Fiji) for the Generation Change Fellows Program (GCFP) in 2024.

The selected contractor shall manage sub-contracts with necessary third-party vendors, as well as directly implement services as needed to acquire the event space, lodging accommodations, travel (flights and ground transportation), and meals for the Generation Changes Fellows Program (GCFP). The work will entail administrative and logistical support for the 5-day program plus a 1 prep day (pre-training) and all pre, during, and post planning support, for 22 participants from the Pacific Islands, 4 USIP staff, and 4 International master trainers, totaling 38 participants; as well as a final report.

The selected contractor will be required to organize all logistical aspects of the training for the 22 participants from the Pacific Islands, 4 USIP staff, and 4 international master trainers including the following deliverables:

1. **Independent Contractor**

Contractor shall be an independent contractor with respect to performance of all work performed under this Agreement, and neither Contractor nor anyone employed by Contractor shall be deemed for any purpose to be the employee, agent, servant, or representative of USIP nor shall it or they have any authority to speak for or otherwise to bind USIP in any manner. As an independent contractor, you are responsible for the safety and security of individuals working under this contract. USIP strongly encourages individuals who will be traveling and working in conflict zones and areas prone to violence and instability, to acquire security awareness training prior to operating in those environments. It is the responsibility of the individual contractor to obtain this training.

2. **USIP Name and Logo**

USIP name and logo are the property of USIP. Neither shall be used by Contractor for any purpose(s) except with the express, prior written authorization of USIP.

3. **Confidentiality and Non-Disclosure**

“Confidential Information” means all information in whatever form or in whatever medium recorded, relating to the Work disclosed in writing, orally, or in any other form to Contractor by USIP, either directly or indirectly, and all information compiled or developed during the course of the Work, except for the following:

1. Information in the public domain through no action of Contractor in breach of this Agreement; or
2. Information independently developed by Contractor; or
3. Information acquired by Contractor from a third party not delivered to Contractor in breach of confidentiality agreements which said third party may have with USIP, the Government, USIP’s other contractors or affiliates, or any other third party.

Both during the term of this Agreement and following completion of the work or termination of the Agreement, Contractor will retain in strict confidence, and not disclose to third parties or use for the benefit of anyone other than USIP any Confidential Information, without the prior written consent of USIP.

All Confidential Information obtained or developed pursuant to the Agreement shall be subject to this Agreement unless expressly excepted in writing by the USIP.

Nothing contained herein shall be deemed to prevent disclosure of any Confidential Information by Contractor if, in the written opinion of Contractor’s counsel, such disclosure is required by any applicable federal or state law, rule, or regulation, or by any applicable order, subpoena, judgment, or decree; provided, however, that Contractor shall give USIP at least ten (10) days prior written notice before disclosing any Confidential Information and, in making such disclosure, Contractor shall take all reasonable steps to preserve the confidentiality of the Confidential Information to the greatest extent possible.

If and when requested in writing, Contractor shall, and shall cause its lower tier subcontractors to execute any such confidentiality agreements as are deemed necessary for the protection of USIP, the Government and/or any of their respective other contractors.

4. **Indemnity – Intellectual Property**
Except as specifically agreed by USIP, all original work of Contractor under the Contract shall be treated as “work for hire” and all right, title and interest in such work shall be assigned to or owned by USIP.

Contractor represents and warrants that all intellectual property of any nature included in any deliverable to USIP (or any other party under the Contract) shall be public domain property, or the original work of Contractor, or shall be used with all applicable consents or licenses from the owner, copyright holder or patent owner.

Contractor shall indemnify, defend, save and hold harmless USIP from and against any and all claims, actions, and damages which USIP may suffer or pay by reason of any claims or suits arising out of claims of infringement of any patent rights, copyrights or other intellectual property, proprietary or confidentiality rights relating to the work performed by contractor or any of its subcontractors under or in connection with the Agreement. Any such suit or claim shall be defended at Contractor’s expense by counsel satisfactory to USIP. If, in any such suit or claim, a temporary restraining order or preliminary injunction is granted, Contractor shall make every reasonable effort, by giving a satisfactory bond or otherwise, to secure the suspension of the injunction or restraining order. If, in any such suit or claim, the work, or any part, combination or process thereof, is held to constitute an infringement and its use is permanently enjoined, Contractor shall promptly make every reasonable effort to secure for USIP, a license authorizing continued use of the infringing item. If Contractor is unable to secure such suspension or such license within a reasonable time, Contractor shall, at its own expense and without impairing USIP’s use of the work, either replace the affected work, or part, combination or process thereof, with non-infringing components or parts or modify the same so that same becomes non-infringing.

5. Publicity

Contractor shall not disclose the nature of its work under the Agreement or engage in any other publicity or public media disclosures with respect to the work without the prior written consent of USIP.

6. Acceptance and Inspection

USIP shall have the right to inspect all work performed under this Agreement upon delivery or pursuant to such other terms as may be agreed upon in writing. Acceptance shall not occur until after completion of inspection. Acceptance shall not absolve Contractor from correcting errors, omissions, and other defects in workmanship under the Warranty provisions of the Agreement to the extent that they are not patently apparent and discoverable upon reasonable inspection at time of delivery or as otherwise agreed upon. Payment shall be conditioned upon USIP’s acceptance of the work under this Agreement.

7. Representation and Warranty of Work

No principal, employee or subcontractor of Contractor:

(1) Is an employee of or personal services contractor to the Institute; or
(2) Has a familial or other relationship with a USIP employee participating in the contracting for or receipt of the Services under this Agreement except as specifically acknowledged and consented to by USIP in a writing attached to this Agreement. Contractor warrants that all work:

(i) Shall, as applicable, be free of defects in workmanship,
(ii) Shall be performed in accordance with the accepted professional standards and industry codes applicable to the work in effect as of the award of the Agreement,
(iii) Shall be performed in a good and workmanlike manner, and
(iv) Shall strictly conform to the Agreement.

Upon receipt of written notice of a defect or deficiency in the work, Contractor shall at USIP’s sole option and at no cost to USIP, promptly re-perform, repair, or replace, such defective or deficient work.
so that it conforms with the requirements of the Agreement. If USIP deems it inexpedient for Contractor to correct defective or deficient work, USIP may make a deduction from the Contract price in lieu of such correction, as determined by USIP.

8. **Compliance with Laws**

In the performance of work under this Agreement, Contractor shall comply, and shall require its subcontractors, agents, and other representatives to comply with all applicable laws, treaties, ordinances, judgments, decrees, injunctions, writs and orders of any court or governmental agency or authority, and rules, regulations, codes, orders, interpretations of any Federal, District of Columbia, or other governmental entity or other body having jurisdiction over the Agreement or any activity conducted at or in connection with the Agreement (collectively “Laws”). Contractor agrees to indemnify and hold USIP harmless for, of, and from any loss, including but not limited to fines, penalties, and corrective measures, USIP may sustain by reason of Contractor’s failure to comply with any such Laws in connection with the performance of its work for USIP under this Agreement. Contractor shall obtain and maintain all permits, licenses, and consents required by governmental authorities for performance of any work to be performed under this Agreement. At no time during the term of this Agreement shall Contractor be debarred from contracting with the U.S. Government, subject to sanctions promulgated or supervised by any U.S. Government agency, or otherwise ineligible to contract with the U.S. Government for any reason. Such debarment, sanction status or exclusion at any time shall be a material breach of the Agreement. Contractor’s subcontracting under this Agreement with any person debarred, subject to sanctions, or ineligible to contract with the U.S. Government shall be grounds for termination of this Agreement at the sole discretion of USIP.

9. **Section 508 Compliance**

Because USIP receives Federal funds for its work, to the extent Contractor’s work will involve creating or modification of Information Technology hardware or software, Contractor shall ensure that it is in compliance with the requirements section 508 of the Rehabilitation Act of 1973, as amended, as they may be applicable.

10. **Compliance with Workplace Rules**

Contractor, to the extent work is to be performed on the premises of USIP, shall conform its activities to all procedures, work hours, and safety rules and regulations as may be in force at USIP. Contractor shall also undergo such safety and other training as may be offered by USIP with regard to its site.

11. **Contractor Personnel Access to USIP Facilities**

USIP also shall have the right in its sole discretion to request that Contractor remove and replace any one or more of its staff working at USIP if such person is deemed by USIP to be incompetent, disorderly, or otherwise unsatisfactory. Contractor shall promptly comply with such request. USIP shall have the right in its sole discretion to revoke access to its premises for any one or more of Contractor’s personnel.

12. **Equal Opportunity**

The Contractor agrees that it will not discriminate against any employee or applicant for employment to be employed in the performance of work under this Agreement with respect to hire, tenure, terms, conditions or privileges of employment, or matters directly or indirectly related to employment because of age, sex, height, weight, marital status, race, color, religion, sexual orientation, national origin, ancestry, disability or veteran status. Contractor also agrees to comply with all applicable provisions of Executive Order 11246 of September 24, 1965, as amended. Breach of this covenant may be regarded as a material breach of this Agreement.
13. **Record Retention and Audits**

Contractor and its subcontractors of any tier shall maintain true and correct sets of cost and other records relating to the work and all transactions related to the Work and shall retain all such records for at least three (3) years after final payment under this Agreement.

USIP, itself or through its designated agent (e.g., audit firm), from time to time at any time after the date of this Agreement until three (3) years after final payment under this Agreement, may make an audit of any and all records of Contractor and any of its subcontractors of any tier that pertain to the performance of work under the Agreement. Contractor shall assist USIP in making the above audits.

Such audits will not include Contractor’s payroll or other confidential information of Contractor’s other clients unless it relates directly to this Agreement. Contractor shall include, and shall require all its subcontractors of any tier to include, in all lower tier subcontracts in connection with the work under this Agreement, a provision materially similar to this paragraph. USIP may at any time require Contractor to submit to the Institute a copy of its latest Annual Audited Report (“annual audit” or “audit”).

14. **Assignment**

Neither this Agreement nor any part thereof nor any right arising therefrom shall be transferred or assigned by Contractor to any other individual, firm, partnership, corporation, institution, or government agency without the prior written consent of USIP.

15. **Termination for Convenience**

At any time, USIP may, in its discretion, terminate this Agreement in whole or in part for its convenience, by giving five (5) business days written notice to Contractor. Upon receiving such notice, Contractor shall:

(a) Stop performance of all Work except that reasonably necessary to carry out termination; and
(b) Make no further monetary commitments except with the written consent of USIP.

16. **Default by Contractor**

USIP shall have the right, in addition to all other rights or remedies it may have under this Agreement or by law or in equity, to terminate this Agreement in whole or in part if Contractor:

(a) fails:
   (i) to comply with the material terms of this Agreement;
   (ii) to make satisfactory progress toward completion of the work; or
   (iii) to perform its work in a satisfactory manner in terms of quality;
(b) makes any assignment for the benefit of creditors, or
(c) initiates or has initiated against it bankruptcy, insolvency, receivership, or similar proceeding, by giving notice to Contractor.

In the event of a breach under subparagraph (a), USIP shall afford Contractor a period of ten (10) days to correct the breach or present an acceptable plan to USIP for correcting the breach. The failure of USIP to terminate Contractor for any default shall not be deemed a waiver of its right to terminate contractor for some other related, subsequent, or independent default. Upon receipt of such notice, Contractor shall stop all Work. Contractor shall be entitled to be paid only for Work previously submitted and accepted by USIP. USIP shall be entitled to recover from Contractor the costs of retaining others to complete the Work agreed to under this Agreement.
17. **No Waiver of Breach**

Any failure by USIP at any time, or from time to time, to enforce or require the strict compliance with and performance by Contractor of any of the terms or conditions of the Agreement shall not constitute a waiver by USIP or a breach of any such terms or conditions or any other breaches, or the right of USIP to avail itself of the remedies it may have for any such breach.

18. **Indemnity - General**

Contractor shall indemnify, defend, hold and save USIP, USIP’s affiliates, and each of its/their respective agents, successors, assigns, and any and all officers, directors, shareholders, employees or representatives of any of the foregoing, harmless from and against any loss, claim, liability, judgment, cost or expense (inclusive of attorney and expert fees), including but not limited to any and all property damage, delay, business interruption, lost business transactions or opportunities, or lost profits to Contractor and/or to any one or more third parties and any and all personal injury to Contractor and/or to any one or more third parties, including death, in the event such loss, claim, liability, cost or expense to any extent whatsoever (even if any entity other than Contractor is contributory thereto) arises from or relates to any act or omission of Contractor, its employees or affiliates in connection with the Work. Contractor waives any right to assert immunity from these obligations under any workers’ compensation or other employee benefit statute.

19. **Damages / Limitation of Liability**

In no event shall USIP or any of its affiliates, representatives or any directors, officers, or employees of any of the foregoing be liable to contractor or any of its lower tier subcontractors, whether based on delay, contract, tort, negligence, warranty, indemnity, strict liability, error or omission or otherwise, for any consequential, special, incidental, indirect, exemplary, multiple or punitive damages or damages arising from or in connection with loss of use or loss of revenue or profit, actual or anticipated or otherwise, and contractor hereby releases USIP, and its respective affiliates, representatives, directors, officers and employees from any such liability.
